

GRANITE COUNTRY YOUTH SOCCER ASSOCIATION

Marble Falls, Texas

Field Use Policy and Rules

The Granite Country Youth Soccer Association (GCYSA), holds, owns, manages and protects its fields and facilities for the enjoyment of its registered members.

The GCYSA recognizes the need for large level grassy areas by others in the community who are not members of the GCYSA. While the GCYSA wishes to be a “good neighbor” to others in the community by allowing them limited use of the fields or facilities, the GCYSA must protect its members, fields and facilities. To use the GCYSA fields or facilities, others must contact the GCYSA, read the “*Field Use Policy and Rules*”, submit a completed “*Field Use Application*” to GCYSA and, if approved, sign a “*Field Use Agreement*”. “*Field Use Applications*” & “*Field Use Agreements*” must be submitted each season (Fall, Winter, Spring & Summer).

The GCYSA reserves the right to deny any application for any reason and to prevent any approved use of the field if they determine that the activity (at the proposed time of use) will damage the field.

Improper use, overuse and unsafe use of the GCYSA properties cannot be allowed.

Those who are determined to be using the field in a manner inconsistent with their signed “*Field Use Agreement*” or without such agreement may be prosecuted to the extent allowed by law.

The GCYSA will not be responsible for injuries to others who use its fields or facilities.

GCYSA may revoke the “*Field Use Agreement*” if all provisions are not met or “*Field Rules*” not adhered to.

Field Rules

The fields and facilities shall be kept free of litter and other trash.

No Drugs or Alcoholic beverages are allowed on the property.

No Smoking is allowed on (or around) the fields or inside (or around) the buildings.

No Unauthorized Vehicles are allowed on (or around) the fields.

No foul or abusive language is allowed.

Only activities approved by the Granite Country Youth Soccer Association will be allowed.

No golfing on the fields is allowed.

The fields shall be closed and all lights turned off no later than 9:30 PM.

Pets are not allowed on the premises during league play.

Observance of “*Field Closed for Maintenance*” signs: When these signs are posted the fields are CLOSED; there are no exceptions.
